Reference: C00422964, Year-End Report (11/23/2010 - 12/31/2010)

This letter is in response to your request for additional information regarding the above referenced report submitted by the Donna Edwards for Congress Campaign Committee. The notice specifically requests additional information regarding discrepancies in the Election Cycle-to-Date figures reflected in the subject report. Our review of this matter revealed that the 2010 election cycle coverage dates (11/05/2008 - 11/02/2010) were used for the report instead of the 2012 election cycle coverage dates (11/03/2010 - 11/06/2012) causing the Election Cycle-to-Date figures to appear over inflated. We have corrected the error and filed amendments to the Year-End Report and all subsequent filings impacted by the error.

I hope this offers sufficient explanation for your records. If you have additional questions regarding this matter, please do not hesitate to contact me.

Regards,

Janice Edwards, Treasure
